The Miracles of Our Lord

## The Miracles of Our Lord By George MacDonald (1824-1905)

Actions, it is often said, speak louder than words. But in the life of Christ - as George MacDonald shows - both spoke with an equal volume. Much attention is often devoted to what Jesus said while He was on earth, but many in our modern age are puzzled by the miracles. What are we to make of them? MacDonald - wise and gentle as ever - invites us into the miracles as a doorway into the inner life of Christ that we may intimately know Him and His Father. (Summary by Jordan)
