

Arthur Scott Bailey

The Tale of Betsy Butterfly

By Arthur Scott Bailey

Arthur Scott Bailey (1877 – 1949) was the author of more than forty children’s books. “Mr. Bailey centered all his plots in the animal, bird and insect worlds, weaving natural history into the stories in a way that won educator’s approval without arousing the suspicions of his young readers. He made it a habit to never ‘write down’ to children and frequently used words beyond the average juvenile vocabulary, believing that youngsters respond to the stimulus of the unfamiliar.”

Read by Lucy Burgoyne. Total running time: 1:47:47
