A Christmas Carol

by Charles Dickens (1812 - 1870)

The miserly Ebenezer Scrooge is a cold-hearted man of business and has little time for the good humor and charity of the Christmas season. But that's about to change. A visit from his deceased business partner sets in motion a night in which Scrooge is visited by the ghosts of Christmas past, present, and future. Will he listen to their messages? Will he heed their warnings? Ebenezer Scrooge is about to take a Christmas journey that he won't soon forget.
