Go Behind the Scenes

Our military service members represent only 1 percent of our population, but they should be the responsibility of protecting our entire Nation. Missing birthdays, anniversaries, graduations and so many of the daily moments we spend with the people we love, they make incredible sacrifices. But, they do not make them alone.

Explore a map to discover military presences around the country and learn more about our military families and how you can support them.

VISIT OUR MILITARY HILL

For years, First Lady Michelle Obama and Dr. Jill Biden have met with military families, learned about their successes and challenges, and made it their priority to support them.
