

Charles Dickens

Three Ghost Stories
By Charles Dickens (1812-1870)

As a gifted writer with a strong interest in supernatural phenomena, Charles Dickens produced a string of ghost stories with enduring charm. Three of them are presented here, of which *The Signal Man* is one of the best known. Though quite different from his most celebrated realistic and humorous critical novels, these ghost stories, Gothic and grotesque as they are, are of good portrayal, and worth a read/listen. Summary by Vivian Chan. Total running time: 02:10:58.
